

Dear Coaches,

Please take a few minutes to fill out the meet intent form that is in this posting and e-mailing. When filling it out, please include the name of the meet that your team will be attending as well as the date and how many gymnasts that you will have competing in each level.

Filling out this form and returning it is very important to each meet that will be held in our state this season. Each meet will be assigned a certain amount of judges for their meet based on how many gymnasts are signed up via meet intents. Please make sure you write down the number of gymnasts that will be competing in each level.

All meet intent forms need to be returned to Sarah Myers by August 8th. You may fax, email or mail by required date. All intent information will be combined into a spreadsheet and given to each meet director by the following weekend. Then judges' request must be made by August 29th!

This year there will be a cancellation fee for any gym that cancels their meet after the Judges' Request date. It is hoped that meet directors will either network with other gyms to find enough gymnasts to compete in each meet or opt to have a smaller meet, not requiring a commitment of a large number of judges. If you decide to cancel your meet after this date, you will be required to pay a fee to NC-USAG of \$100 and you will not be allowed to host a qualifying meet the next year. (This is new for the 2009-10 season; it was discussed and voted upon at the May 31st Board Meeting).

If you have any questions, please feel free to contact me and I will be glad to help.
